

Enjoy Our Many Views.

Tucked in the heart of a quirky farming town, Sebastopol's a place where unique individuals settle, in the spirit of sharing authentic living in the face of whole hearted expression. We pride ourselves in our individuality. Modern meets traditional, conservatives meet progressives, apples meet grapes, all in a spirit of abundant living. Locals do well by doing good. Because folks here understand this: Our little town - like any community - connects us to the rest of the world. Our Chamber of Commerce connects us to each other.
